On the same day theatricalized walking goes through the city. All the institutions, organizations, schools and public institutions of the town take part in this walking. Every year resort festival has a different slogan, e.g. „We are European family“, or „Druskininkai is our town“. On Saturday some of participants do exercises near Vijunelis lake. Then a lot of sport competitions are held. The Grill championship is organized every year. There are lots of attractions in Vilnius alley and family competitions are held. In the evenings concerts are held and fireworks are set off.
